Report of Transactions
Fiscal Years 2005 and 2006

During fiscal years 2005, 2006 and to the present, the Board fulfilled its number one priority, which is to protect the public from professional misconduct by psychologists. There were 38 ethical inquiries lodged and/or worked on during this period, 24 of which have been closed and are listed in later pages.

23 Board meetings were held from the beginning of FY 2005 to the present, copies of all approved minutes are attached. During meetings, oral examinations were conducted, which include an emphasis on the ethical code. For the period of fiscal years 2005, 2006, and the first half of 2007 the Board issued licenses to 63 psychologists, 2 school psychologists, 3 school psychologist independent practitioners, which is a total of 68 licenses for this time period. Also during this period, applications were approved for 114 supervised psychologists to enter into the supervision for licensure program. In addition, the Board conducted revisions to its Rules, Title 17.

Ongoing business of the Board included processing of quarterly license renewals, annual supervision card renewals for supervised psychologists, quarterly supervision forms, monitoring continuing education for licensees, and continuing education requests. Business also included conducting the national written examination for the professional practice of psychology, evaluating applications for licensure, and assessing reciprocity applications.
