

WEST VIRGINIA LEGISLATURE

2018 REGULAR SESSION

Introduced

Senate Bill 494

BY SENATORS AZINGER AND FERNS

[Introduced February 6, 2018; Referred
to the Committee on Pensions]

1 A BILL to amend and reenact §18-7A-17 of the Code of West Virginia, 1931, as amended, relating
2 to providing that members of the State Teachers Retirement System shall be considered
3 absent from service as a teacher or nonteacher while serving as an officer with a statewide
4 professional teaching association, or who have served in that capacity; and providing that
5 retirants, who served in that capacity while members, shall be considered to have been
6 absent from service as a teacher by reason of that service.

Be it enacted by the Legislature of West Virginia:

ARTICLE 7A. STATE TEACHERS RETIREMENT SYSTEM.

§18-7A-17. Statement and computation of teachers' service.

1 (a) Under rules adopted by the retirement board, each teacher and nonteaching member
2 shall file a detailed statement of his or her length of service as a teacher or nonteacher for which
3 he or she claims credit. The retirement board shall determine what part of a year is the equivalent
4 of a year of service. In computing the service, however, it shall credit no period of more than a
5 month's duration during which a member was absent without pay, nor shall it credit for more than
6 one year of service performed in any calendar year.

7 (b) For service as a teacher in the employment of the federal government, or a state or
8 territory of the United States, or a governmental subdivision of that state or territory, the retirement
9 board shall grant credit to the member: *Provided*, That the member shall pay to the system 12
10 percent of that member's gross salary earned during the first full year of current employment
11 whether a member of the Teachers Retirement System or the Teachers' Defined Contribution
12 Retirement System, times the number of years for which credit is granted, plus interest at a rate
13 to be determined by the retirement board. The interest shall be deposited in the reserve fund and
14 service credit granted at the time of retirement shall not exceed the lesser of 10 years or 50
15 percent of the member's total service as a teacher in West Virginia. Any purchase of out-of-state
16 service, as provided in this article, shall not be used to establish eligibility for a retirement
17 allowance and the retirement board shall grant credit for the purchased service as additional

18 service only: *Provided, however,* That a purchase of out-of-state service is prohibited if the service
19 is used to obtain a retirement benefit from another retirement system: *Provided further,* That
20 salaries paid to members for service prior to entrance into the retirement system shall not be used
21 to compute the average final salary of the member under the retirement system.

22 (c) No members shall be considered absent from service while serving as a member or
23 employee of the Legislature of the State of West Virginia during any duly constituted session of
24 that body or while serving as an elected member of a county commission during any duly
25 constituted session of that body.

26 ~~(d) No member shall be considered absent from service as a teacher or nonteacher while~~
27 ~~serving as an officer with a statewide professional teaching association, or who has served in that~~
28 ~~capacity, and no retirant, who served in that capacity while a member, shall be considered to have~~
29 ~~been absent from service as a teacher by reason of that service: *Provided,* That the period of~~
30 ~~service credit granted for that service shall not exceed ten years: *Provided, however,* That a~~
31 ~~member or retirant who is serving or has served as an officer of a statewide professional teaching~~
32 ~~association shall make deposits to the Teachers Retirement System, for the time of any absence,~~
33 ~~in an amount double the amount which he or she would have contributed in his or her regular~~
34 ~~assignment for a like period of time~~

35 ~~(e)~~ (d) The Teachers Retirement System shall grant service credit to any former or present
36 member of the West Virginia Public Employees Retirement System who has been a contributing
37 member of the Teachers Retirement System for more than three years, for service previously
38 credited by the Public Employees Retirement System upon his or her written request and: (1)
39 Shall require the transfer of the member's Public Employees Retirement System accumulated
40 contributions to the Teachers Retirement System; or (2) shall require a repayment of the amount
41 withdrawn from the Public Employees Retirement System, plus interest at a rate to be determined
42 by the retirement board, compounded annually from the date of withdrawal to the date of payment,
43 any time prior to the member's effective retirement date: *Provided,* That there shall be added by

44 the member to the amounts transferred or repaid under this subsection an amount which shall be
45 sufficient to equal the contributions he or she would have made had the member been under the
46 Teachers Retirement System during the period of his or her membership in the Public Employees
47 Retirement System, plus interest at a rate determined by the retirement board, compounded
48 annually from the date the additional contribution would have been made had the member been
49 under the Teachers Retirement System to the date of payment. All interest paid or transferred
50 shall be deposited in the reserve fund.

51 ~~(f)~~ (e) For service as a teacher in an elementary or secondary parochial school, located
52 within this state and fully accredited by the West Virginia Department of Education, the retirement
53 board shall grant credit to the member: *Provided*, That the member shall pay to the system 12
54 percent of that member's gross salary earned during the first full year of current employment
55 whether a member of the Teachers Retirement System or the Teachers' Defined Contribution
56 Retirement System, times the number of years for which credit is granted, plus interest at a rate
57 to be determined by the retirement board. The interest shall be deposited in the reserve fund and
58 service granted at the time of retirement shall not exceed the lesser of 10 years or 50 percent of
59 the member's total service as a teacher in the West Virginia public school system. Any purchase
60 of parochial school service, as provided in this section, may not be used to establish eligibility for
61 a retirement allowance and retirement board shall grant credit for the purchase as additional
62 service only: *Provided, however*, That a purchase of parochial school service is prohibited if the
63 service is used to obtain a retirement benefit from another retirement system.

64 ~~(g)~~ (f) Active members who previously worked in Comprehensive Employment and
65 Training Act (CETA) may receive service credit for time served in that capacity: *Provided*, That in
66 order to receive service credit under the provisions of this subsection the following conditions
67 must be met: (1) The member must have moved from temporary employment with the
68 participating employer to permanent full-time employment with the participating employer within
69 120 days following the termination of the member's CETA employment; (2) the retirement board
70 must receive evidence that establishes to a reasonable degree of certainty as determined by the

71 retirement board that the member previously worked in CETA; and (3) the member shall pay to
72 the retirement board an amount equal to the employer and employee contribution plus interest at
73 the amount set by the retirement board for the amount of service credit sought pursuant to this
74 subsection: *Provided, however,* That the maximum service credit that may be obtained under the
75 provisions of this subsection is two years: *Provided further,* That a member must apply and pay
76 for the service credit allowed under this subsection and provide all necessary documentation by
77 March 31, 2003: *And provided further,* That the retirement board shall exercise due diligence to
78 notify affected employees of the provisions of this subsection.

79 ~~(h)~~ (g) If a member is not eligible for prior service credit or pension as provided in this
80 article, then his or her prior service shall not be considered a part of his or her total service.

81 ~~(i)~~ (h) A member who withdrew from membership may regain his or her former
82 membership rights as specified in §18-7A-13 of this code only in case he or she has served two
83 years since his or her last withdrawal.

84 ~~(j)~~ (i) Subject to the provisions of §18-7A-17(a) through §18-7A-17(k) of this code, the
85 retirement board shall verify as soon as practicable the statements of service submitted. The
86 retirement board shall issue prior service certificates to all persons eligible for the certificates
87 under the provisions of this article. The certificates shall state the length of the prior service credit,
88 but in no case shall the prior service credit exceed 40 years.

89 ~~(k)~~ (i) Notwithstanding any provision of this article to the contrary, when a member is or
90 has been elected to serve as a member of the Legislature, and the proper discharge of his or her
91 duties of public office require that member to be absent from his or her teaching or administrative
92 duties, the time served in discharge of his or her duties of the legislative office are credited as
93 time served for purposes of computing service credit: *Provided,* That the retirement board may
94 not require any additional contributions from that member in order for the retirement board to
95 credit him or her with the contributing service credit earned while discharging official legislative
96 duties: *Provided, however,* That nothing in this section may be construed to relieve the employer
97 from making the employer contribution at the member's regular salary rate or rate of pay from that

98 employer on the contributing service credit earned while the member is discharging his or her
99 official legislative duties. These employer payments shall commence as of June 1, 2000: *Provided*
100 *further*, That any member to which the provisions of this subsection apply may elect to pay to the
101 retirement board an amount equal to what his or her contribution would have been for those
102 periods of time he or she was serving in the Legislature. The periods of time upon which the
103 member paid his or her contribution shall then be included for purposes of determining his or her
104 final average salary as well as for determining years of service: *And provided further*, That a
105 member using the provisions of this subsection is not required to pay interest on any contributions
106 he or she may decide to make.

107 ~~(j)~~ (k) The Teachers Retirement System shall grant service credit to any former member
108 of the State Police Death, Disability, and Retirement System who has been a contributing member
109 for more than three years for service previously credited by the State Police Death, Disability, and
110 Retirement System; and: (1) Shall require the transfer of the member's contributions to the
111 Teachers Retirement System; or (2) shall require a repayment of the amount withdrawn any time
112 prior to the member's retirement: *Provided*, That the member shall add to the amounts transferred
113 or repaid under this paragraph an amount which is sufficient to equal the contributions he or she
114 would have made had the member been under the Teachers Retirement System during the period
115 of his or her membership in the State Police Death, Disability, and Retirement System plus interest
116 at a rate to be determined by the retirement board compounded annually from the date of
117 withdrawal to the date of payment. The interest paid shall be deposited in the reserve fund.

NOTE: The purpose of this bill is to provide that members of the State Teachers Retirement System shall be considered absent from service as a teacher or nonteacher while serving as an officer with a statewide professional teaching association, or who has served in that capacity. The bill provides that retirants, who served in that capacity while members, shall be considered to have been absent from service as a teacher by reason of that service.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
