**Senate Concurrent Resolution 32**—Requesting Division of Highways to name bridge along 119/2 Hemlock Road off Route 47 that crosses Leading Creek at latitude 39.01564, longitude -80.74842, near Troy, bridge number 11-119/2-4.34 (11A140), currently known as the Hemlock Road Girder, the “CW2 Robert D. Taylor Memorial Bridge”.

Whereas, Robert Taylor grew up on Hemlock Road with his parents, Dale and Alice Taylor, and brother Richard; and

Whereas, Robert was a positive young man who had a big heart. He was active in his community, attended church and always helped neighbors and friends; and

Whereas, Robert always dreamed of being a pilot and he enlisted in the United States Army; and

Whereas, Robert was assigned the rank of Chief Warrant Officer 2 while serving in the U. S. Army; and

Whereas, After serving eight years, CW2 Robert D. Taylor was tragically killed in a helicopter crash along the demilitarized zone between North and South Korea; therefore, be it

Resolved by the Legislature of West Virginia:

That the Division of Highways is requested to name the bridge along 119/2 Hemlock Road off Route 47 that crosses Leading Creek at latitude 39.01564, longitude -80.74842, near Troy, bridge number 11-119/2-4.34 (11A140), currently known as the Hemlock Road Girder, the “CW2 Robert D. Senators Snyder, Boso and Stollings offered the following resolution:

**Senate Concurrent Resolution 33**—Requesting the West Virginia Infrastructure and Jobs Development Council to study and report on the issue of consolidation, regarding public water and sewer utilities.

Whereas, The Legislature is concerned that over five hundred municipal and public service district water and sewer utilities are providing service to customers. The capital cost associated with the repair or replacement of existing infrastructure that serves current customers and the construction of
upgrades to existing facilities or new facilities to serve new customers is far greater than available public funding sources and the ability of the utilities to raise money from existing rate-payers; and

Whereas, In its 1994 regular session, the Legislature created the West Virginia Infrastructure and Jobs Development Council (IJDC) in article fifteen-a, chapter thirty-one of the Code of West Virginia, 1931, as amended. Among other things, section four of the 1994 legislation requires the IJDC to develop guidelines for evaluating requests by project sponsors for funding assistance that include “the degree to which the project or infrastructure project encourages effective and efficient consolidation of water or sewage treatment systems consistent with the comprehensive plan developed pursuant to section six of the legislation.” Section six of the 1994 legislation contains subsection (c) that provides “the council shall study the viability of the consolidation of public service districts throughout the state” and report their findings and conclusions on or before January 16, 1995, to the Governor, Speaker of the House and President of the Senate; and

Whereas, Section six (b) of the 1994 act requires an assessment of water and sewer infrastructure to be filed by IJDC every three years that includes, among other things, an assessment to identify “obstacles, issues and problems which prevent or inhibit development of adequate infrastructure throughout the state including financial, governmental, physical, or geographical factors and make recommendations as the council considers appropriate regarding the obstacles, issues or problems identified.” In reviewing proposed projects, the IJDC consolidation committee, upon the request of another IJDC committee or the council itself, will review the project and determine the potential for consolidation; and

Whereas, The Legislature believes that potential economies of scale and efficiencies in providing public water and sewer service could be realized through consolidation, regional planning and cooperation between municipal and county governments; therefore, be it

Resolved by the Legislature of West Virginia:

That the West Virginia Infrastructure and Jobs Development Council study and report on the issue of consolidation, regarding public water and sewer utilities; and, be it

Further Resolved, That the Legislature hereby requests that the IJDC refer every proposed public water and sewer project to its consolidation committee to consider the issues related to potential consolidation or other measures that could result in efficiencies and more productive use of public moneys; and, be it

Further Resolved, That the IJDC submit a report to the Legislature at the beginning of its 2017 regular session that identifies the potential for consolidation; the IJDC’s treatment of that issue through its funding decisions; the problems that exist with the issue including barriers that may impede cooperation between municipals and public service districts in obtaining the desired result of providing quality water and sewer service to the residents of West Virginia at the lowest possible cost.

Which, under the rules, lies over one day.

Senators Ashley, Stollings, Plymale and Williams offered the following resolution:

Senate Resolution 33—Congratulating the Wirt County Ladies Volleyball team for winning the 2015 Class A Volleyball State Championship.

Whereas, The Wirt County Ladies Volleyball team had a spectacular year, in which they finished with a 32-13-2 record and claimed their 10th volleyball state championship in school history; and

Whereas, Led by head coach Janet Frazier, the Wirt County Ladies Volleyball team consists of players: Allie Bailey, Loden Campbell, Alexis Petrovsky, Katie Tichnell, Haley Moore, Katie Frazier, Emily Cottrell, Mahala Greenleaf, Taylor Anderson and Morgan Wagner; and
Whereas, The Wirt County Ladies Volleyball team displayed their strong will and determination for an entire season and will be remembered as one of the best teams ever assembled in West Virginia girls’ volleyball history; and

Whereas, The Wirt County Ladies Volleyball team is a shining example to all West Virginians of what can be accomplished with teamwork, dedication and spirit; therefore, be it

Resolved by the Senate:

That the Senate hereby congratulates the Wirt County Ladies Volleyball team for winning the 2015 Class A Volleyball State Championship; and, be it

Further Resolved, That the Clerk is hereby directed to forward a copy of this resolution to the Wirt County Ladies volleyball team.

At the request of Senator Ashley, unanimous consent being granted, the resolution was taken up for immediate consideration, reference to a committee dispensed with, and adopted.

On motion of Senator Carmichael, the Senate recessed for one minute.

Upon expiration of the recess, the Senate reconvened and, at the request of Senator Carmichael, and by unanimous consent, returned to the fourth order of business.

Senator Karnes, from the Committee on Natural Resources, submitted the following report, which was received:

Your Committee on Natural Resources has had under consideration

Senate Concurrent Resolution 34 (originating in the Committee on Natural Resources)—Requesting the Joint Committee on Government and Finance study simplifying the hunting, fishing and trapping licenses for West Virginia residents and nonresidents.
Whereas, A great number of West Virginia residents and visitors enjoy participating in the recreational activities of hunting, fishing and trapping; and

Whereas, West Virginia residents’ participation in these activities has a large impact on the West Virginia economy; and

Whereas, There are more than forty hunting and fishing licenses and stamps that make it difficult for residents and nonresidents to understand and abide by the rules and regulations; and

Whereas, A decreased number of licenses and stamps would make it easier for residents and nonresidents alike to purchase licenses and stamps, and may spur the purchase of more hunting, fishing and trapping licenses; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is hereby requested to study simplifying the hunting, fishing and trapping licenses for West Virginia residents and nonresidents; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the regular session of the Legislature, 2017, on its findings, conclusions and recommendations, together with any drafts of any legislation necessary to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report, and to draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

And reports the same back with the recommendation that it be adopted.

Respectfully submitted,

Robert Karnes,
Chair.
