## MANAGEMENT DISCUSSION & ANALYSIS

This discussion and analysis of the Public Defender Corporation of the Thirteenth Judicial Circuit of the State of West Virginia financial performance provides an overview of the Corporation's financial activities for the fiscal years ended June 30, 2007 and 2006, and identifies changes in the Corporation's financial position.

### Overview of Basic Financial Statements

These statements are in two parts - *management's discussion and analysis* (this section) and the *basic financial statements*. The Corporation's financial statements are prepared on the accrual basis of accounting and are reported in accordance with generally accepted accounting principles. These statements include the *statement of financial position*, the *statement of activities*, the *statement of cash flows* and notes to the financial statements.

The *statement of financial position* presents the Corporation's assets, liabilities and net assets as of the financial statements date. Through this presentation one can decipher the health of the Corporation by taking the difference between the assets and liabilities. An increase or a decrease in the Corporation's net assets from one year to the next is an indicator of whether its financial health is improving or deteriorating.

The *statement of activities* reports revenues and expenses when earned or obligated. This means that all of the current year's revenues and expenses are included regardless of when cash is paid or received, thus providing a view of financial position that is similar to that presented by most private-sector companies. This statement summarizes the cost of providing legal defense services to those individuals charged with a violation of the law but who cannot afford an attorney to defend themselves or to represent indigent persons or juveniles and mental hygiene cases as appointed by the court.

### Financial Analysis of the Corporation

Total assets of the Corporation on June 30, 2007 and 2006 were \$517,922 and \$413,835 while liabilities were \$121,245 and \$120,789 resulting in a net asset balance of \$396,677 and \$293,046. \$29,321 and \$16,403 of the Corporation's net assets are invested in capital assets. The Corporation revenues are derived from funding from the West Virginia Public Defender Services and accordingly 99% of the Corporation's revenues were derived from this funding for the years ended June 30, 2007 and 2006. Total revenues were \$2,952,573 and \$2,891,386. The expenses of the Corporation were \$2,848,942 and \$2,796,694. For the year ended June 30, 2006 the excess of revenues over expenditures caused the Corporation's total net assets to increase by \$94,692, from \$198,354 to \$293,046. **INDEPENDENT AUDITORS' REPORT**

Honorable Members of the Board  
Public Defender Corporation  
for the Thirteenth Judicial Circuit  
Charleston, West Virginia

We have audited the accompanying statements of financial position of the Public Defender Corporation for the Thirteenth Judicial Circuit, (the Corporation) as of June 30, 2007 and 2006, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2007 and 2006 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 12, 2007 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Management's Discussion and Analysis (MD&A) on pages 1 through 3 is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

**PUBLIC DEFENDER CORPORATION  
FOR THE THIRTEENTH JUDICIAL CIRCUIT  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2007 AND 2006**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Operations**

The Public Defender Corporation for the Thirteenth Judicial Circuit (the Corporation) is a not-for-profit Corporation created under authority of Article 21, Chapter 29 of the West Virginia Code. The Corporation is a component unit of the State of West Virginia and is funded by West Virginia Public Defender Services. The purpose of the Corporation is to provide high quality legal assistance to indigent persons, at no cost, who would be otherwise unable to afford adequate legal counsel.

Approximately 80% of the Corporations revenues are utilized for program related purposes and 20% are for management and general purposes.

**Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting, and in accordance with generally accepted accounting principles whereby revenues are recognized when earned and expenses when incurred, reflect all significant assets, receivables, payables and other liabilities.

**Basis of Presentation**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-For-Profit Organizations*. Under SFAS No. 117, the Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. At June 30, 2007 and 2006 the Corporation did not have any permanently or temporarily restricted net assets.

**Property and Equipment**

Property and equipment with a cost greater than \$1,000 is capitalized at cost. Depreciation is computed using the straight-line basis over the estimated useful lives of the respective assets, ranging from six to ten years. Depreciation expense for the years ended June 30, 2007 and 2006 was \$11,346 and \$18,196, respectively.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Corporation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Corporation had no cash equivalents during 2007 or 2006.

**Income Taxes**

The Corporation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Corporation is classified by the Internal Revenue Service as an other than a private foundation.

**PUBLIC DEFENDER CORPORATION  
FOR THE THIRTEENTH JUDICIAL CIRCUIT  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2007 AND 2006**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Unrestricted Net Assets**

Unrestricted net assets are comprised of funds whose use is limited only to the extent that the Corporation's enabling legislation and by-laws limit the activities of the Corporation. Currently all of the Corporation's assets and activities are considered unrestricted.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Compensated Absences**

**Accrued Annual Leave**

Estimated obligations arise for vacation leave at the current rate of employee pay. Employees vest in a maximum of 25 days of unused vacation leave which is paid at the time of separation from employment.

**Sick Leave**

The Corporation grants sick leave based on time worked. The Corporation does not accrue any liability for sick leave because no amount is paid at the time of separation of employment.

**Reclassifications**

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

**NOTE 2 - DEFINED CONTRIBUTION RETIREMENT PLAN**

The Corporation participates in the State of West Virginia Public Employee Retirement System (the Plan) which covers all eligible employees who agree to participate in the Plan. The Corporation is required to make contributions to the Plan equal to 10.5% of the participants' compensation. For the years ended June 30, 2007 and 2006, total Plan costs were \$186,864 and \$182,279, respectively.

Under the Plan guidelines, if an employee is hired by the Corporation and joins the Plan after they have been previously employed by another state agency, this employee has the ability to make a retroactive purchase of prior service time or "buy-back." Under the current contract with the Public Defender Services office of the State of West Virginia, the Corporation will only fund the employer portion of such buy-backs on a case by case scenario after consideration by the Public Defender Services. Public Defender Services expressly declines to purchase retroactive service credit. For the year ended June 30, 2007, there were no authorized buy-backs. For the year ended June 30 2006, the Corporation authorized the employer portion of a buy-back for employees wherefore the Corporation paid \$57,679 for the retroactive credit.

**PUBLIC DEFENDER CORPORATION  
FOR THE THIRTEENTH JUDICIAL CIRCUIT  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2007 AND 2006**

**NOTE 3 - OPERATING LEASES**

The Corporation leases office space at a rate of \$7,498 per month with annual increases of approximately 3%, with specified amounts in the lease agreement. The lease agreement is in effect until June 30, 2011. However, if funding would cease, the Corporation has the right to cancel the lease agreement. The lease includes an option for the Corporation to renew the lease for another five years with specific terms requiring yearly increases of approximately 3% plus pro-rata portion of real estate tax increases. Total future minimum lease payments are as follows:

<u>Year ending June 30</u>	<u>Amount</u>
2008	\$ 89,980
2009	92,675
2010	95,443
2011	<u>98,299</u>
Total future minimum lease payments	\$ <u>376,397</u>

**NOTE 4 - CONCENTRATIONS**

The Corporation maintains its account balances in an account at a local financial institution. This account is insured by the Federal Deposit Insurance Corporation up to \$100,000. The Corporation had unreconciled bank balances at June 30, 2007 and 2006 of \$639,881 and \$521,841, respectively. The difference between the unreconciled balance and the reconciled balance is outstanding checks. Additionally, the financial institution has pledged certain U.S. Treasury securities and municipal bonds to adequately cover all deposits in excess of those insured by the Federal Deposit Insurance Corporation. These securities had a par value of \$850,000 at June 30, 2007, and a market value of \$745,046, respectively. Whereas at June 30, 2006 the securities had a par value of \$800,000 and a market value of \$739,074.

The Corporation receives approximately all of its funding from West Virginia Public Defender Services. A significant reduction in this level of support would have a significant adverse effect on the Corporation.

**NOTE 5 - CONTINGENCY**

The Corporation is on a reimbursement plan with the State of West Virginia, Bureau of Employment Programs, Unemployment Compensation Division, whereby they no longer pay quarterly premiums. When a liability arises regarding the payment of unemployment, the Corporation will be assessed 100% of the awarded claim filed and payment to the Bureau would be made at that time. Any liability arising from the dismissal of employment is uncertain at this time.

**PUBLIC DEFENDER CORPORATION  
FOR THE THIRTEENTH JUDICIAL CIRCUIT  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2007 AND 2006**

**NOTE 6 - CONTINGENT LIABILITIES**

The Corporation's programs are funded from state sources, principal of which are programs of West Virginia Public Defender Services. State grants received for specific purposes are subject to audit and review by grantor agencies. Such audits and reviews could result in requests for reimbursements to grantor agencies for expenditures disallowed under the terms of the grants. The amount, if any, of expenditures which may be disallowed by grantor agencies cannot be determined at this time, although management believes such amounts, if any, to be immaterial.

**NOTE 7 - RISK MANAGEMENT**

The Corporation is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Corporation manages these risks of loss through the purchase of various insurance policies.

**NOTE 8 - PROPERTY LOSS**

In November 2006, a fire occurred in the Union Building which housed the Corporation's offices. This loss interrupted the operations of the Circuit, but utilization of the contingency plan greatly reduced the necessary down time. As of June 30, 2007, the amount of insurance reimbursement less the \$500 deductible was \$1,230.

**NOTE 9 - CASH HELD AT FISCAL YEAR END**

At June 30, 2007, the Corporation held cash and cash equivalents of \$485,586 consisting of unexpended 2006/2007 Public Defender Corporation grant funds. Public Defender Services considered this amount in determining the appropriate level of disbursements in the succeeding fiscal year necessary to fund the Corporation's normal operating activities.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED  
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

Honorable Members of the Board  
Public Defender Corporation  
for the Thirteenth Judicial Circuit  
Charleston, West Virginia

We have audited the financial statements of the Public Defender Corporation for the Thirteenth Judicial Circuit (a nonprofit Organization) as of and for the year ended June 30, 2007, and have issued our report thereon dated September 12, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Public Defender Corporation for the Thirteenth Judicial Circuit's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Public Defender Corporation for the Thirteenth Judicial Circuit's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted other matters involving the internal control over financial reporting, which we have reported to management of the Public Defender Corporation for the Thirteenth Judicial Circuit in a separate letter dated October 1, 2007.

This report is intended solely for the information and use of the Board, management, and grantor or regulatory agencies and is not intended to be and should not be used by anyone other than these specified parties.
